Date:

Career	
Growth Rate	
Average National Salary	
Educational Requirements	
On-the-Job Experience Requirements	

Describe what people in this career field do. (Job Tasks)

Look up the position on a job board of choice (like indeed.com or [Monster.com](http://monster.com)).

What are some of the requirements employers have? What are employers looking for when hiring a person for the position?

Where might people in this career work?

(For example, schools, government, military, non-profits, corporations, etc.)

What other careers are similar?

List the web pages used to research this information.
